

*Break Area counters and modular cabinets are sized to specific project requirements and designed for a wall-to-wall, custom millwork fit.*

*Choose from our standard laminate finishes and hardware or we can match an existing color scheme and hardware specification.*

## Break Areas

*Hamilton Sorter Modular Break Area solutions are an economical alternative to conventional millwork. Computer controlled manufacturing ensures precise fit and finish, and details like our color-matched PVC edgebanding resist the chipping common to laminate edged surfaces*

*Overhead cabinets are also sized to fit seamlessly with out Satellite Mail Modules, providing convenient and space-saving mail distribution in Break Areas.*
