

This architect's sample and resource library includes modular storage bins and a work island with sample drawers below.

Hamilton Sorter's Modular Casework provides a range of storage options for this multi-purpose workroom, including our adjustable shelving system, for storing open paper packs and binding supplies.

Workrooms and Design Libraries

From broken paper packs, toner supplies, binders and art supplies to fabric samples and architectural plans, Hamilton Sorter's Modular Casework solutions can provide the sized-to-fit organization and storage that your operations require.

Our open shelving cabinets and drawer storage modules are economical alternatives to millwork. Choose from our standard finishes or we can match the colors of an existing interior color scheme.

Hamilton Sorter Casework features:

- *Wall-to-wall fit for a custom millwork look*
- *Precision factory craftsmanship*
- *Modularity for easy reconfiguration or future add-ons*
- *7 year depreciation life vs. 31 years for millwork*
- *Limited lifetime warranty*
- *Quick on-site installation*
- *Availability in standard or customer specified colors and finishes including stainless steel and chemical/bacteria resistant surfaces*
